ADMINISTRATIVE

Although the investigative period in this report exceeds normal reporting period, this matter has been maintained in a current status, and the results of investigation have been furnished by teletype to both the Bureau and the Office of Origin.

MICHAEL RICHARDSON, Rich Photos, 1600 West Flagler Street, Miami, Florida, telephone 643-2151, confidentially advised that he has taped his telephone conversations with RICHARD GERSTEIN, Florida State Attorney, and MARTIN DARDIS, Investigator for Mr. GERSTEIN.

He stated that he taped it on his own telephone. He said the taped conversations referred to RICHARD GERSTEIN's request of him to give testimony concerning his development of photos containing the name LARRY O'BRIEN and Democratic National Convention thereon. He advised that during these conversations, RICHARD GERSTEIN maintained that this was an official investigation and the information supplied by him would remain in strict confidence. MICHAEL RICHARDSON advised that these taped conversations, coupled with GERSTEIN's press releases and leaks to the press concerning his statements, show that GERSTEIN's effort was a pure political maneuver aimed at winning him the primary election in the Democratic Party in his request for State Attorney.

Calif SA EUGENE J. FLYNN interviewed MICHAEL RICHARDSON of Rich Photos, 1600 West Flagler, Miami, Florida, on September 9 and 11, 1972. MICHAEL RICHARDSON advised that on September 9, 1972, he received a telephone call from JACK NELSON who identified himself as being a reporter for "The Los Angeles Times" and who was stationed in Washington, D.C. JACK NELSON advised he learned from contact with MARTIN DARDIS, investigator for Florida State Attorney RICHARD GERSTEIN, that the FBI had interviewed MICHAEL RICHARDSON on September 8, 1972. He wished to know the contents of the FBI interview. MICHAEL RICHARDSON advised he told Mr. NELSON that the FBI came to his shop to show him a composite drawing that was made concerning the individual who appeared at Rich Photos shop on June 10, 1972, with BERNARD BARKER and FRANK FIORINI. He advised that the composite drawing was made after he, RICHARDSON, had given the FBI a description of this individual a few months ago. The FBI contacted him to determine if he recognized or could better describe this individual. Mr. NELSON then asked for a description of this individual and stated that he was preparing a column to be printed in the newspapers on September 11, 1972.

Ha X MICHAEL RICHARDSON then advised he contacted BOB FOLGNER (phonetic). He stated he contacted BOB FOLGNER because FOLGNER is the individual who first told State Attorney GERSTEIN that he, RICHARDSON, had developed photographs for BARKER and FIORINI depicting the name National Democratic Committee and the signature of LARRY O'BRIEN thereon. MICHAEL RICHARDSON also advised BOB FOLGNER that the FBI had contacted him on Friday, September 8, 1972. He, therefore, assumed that BOB FOLGNER had relayed this information concerning the FBI interview to MARTIN DARDIS or RICHARD GERSTEIN. MICHAEL RICHARDSON advised he wished to confirm the suspicions that FOLGNER had relayed to State Attorney GERSTEIN information concerning the FBI interview on September 8, 1972. He stated he has not volunteered any information because the publicity concerning this case has been detrimental to him and to employee JENERO PEREZ. He stated sometime after the

first conversation with JACK NELSON, JACK NELSON made another telephone call to him. JACK NELSON advised that subsequent to his first conversation with him, MICHAEL RICHARDSON, he JACK NELSON had contacted MARTIN DARDIS. MARTIN DARDIS related to JACK NELSON that a source of his told him that the FBI when interviewing MICHAEL RICHARDSON questioned him concerning the DARDIS-GERSTEIN investigation. DARDIS told JACK NELSON that the FBI made remarks indicating that DARDIS' investigation was behind the times and was hindering the official investigation concerning the burglary at the National Democratic Headquarters. MICHAEL RICHARDSON advised that he told JACK NELSON that the FBI did not initiate or make any remarks or give any opinions concerning RICHARD GERSTEIN, MARTIN DARDIS, or any aspect of this investigation. JACK NELSON advised then that MARTIN DARDIS' source must have exaggerated the story. MICHAEL RICHARDSON advised that, because of this and because of the questions asked by JACK NELSON, he assumed that the newspaper article was going to be favorable towards RICHARD GERSTEIN and MARTIN DARDIS and derogatory to the FBI because of statements made by DARDIS and by DARDIS' source of information. MICHAEL RICHARDSON advised that DARDIS' source of information according to his opinion is BOB FOLGNER.

MICHAEL RICHARDSON was advised thereafter that the only concern the FBI has is that the possibility of pretrial publicity hindering or preventing evidence to be presented at trial. MICHAEL RICHARDSON requested to know if he would be subpoenaed by the federal government at WDC. After contacting the Washington Field Office, he was advised that he was not scheduled at this time for Federal Grand Jury testimony; however, he would probably be subpoenaed to give testimony at this trial in Washington, D.C. He was advised that the date of the trial was not scheduled and it was unlikely the trial would be held in the near future. MICHAEL RICHARDSON stated that he only wished to know the approximate date of testimony and requested that it not be scheduled to interfere with his busy season, meaning the Christmas season.

The following investigation was conducted by
SA WILLIAM P. KELLY at Miami, Florida:

HENRY B. ROTHBLATT

At 9:55 a.m., September 15, 1972, BERNARD L. BARKER, accompanied by his attorney, HENRY ROTHBLATT of New York City, was observed to arrive at the office of RICHARD E. GERSTEIN, State's Attorney for Dade County, Florida, for the previously announced purpose of surrendering himself to Mr. GERSTEIN in connection with the local charge filed against him in Dade County, Florida, for misuse of a notary public seal.

Almost immediately thereafter, BARKER appeared before Dade County Criminal Court Judge PAUL BAKER for purposes of setting bond and arraignment on the above-described local charge which has Dade County Criminal Court Case Number 72-8853. Before Judge BAKER, defense attorney ROTHBLATT waived reading of the Information against BARKER, entered a plea of not guilty, and asked for trial by jury.

Relative to bond, State's Attorney GERSTEIN asked for nominal bond of \$1,500. Judge BAKER, following argument, set a \$1,000 surety bond on BARKER. Judge BAKER further granted defense counsel twenty days to file motions and set hearing date on motions for October 13, 1972, at 2:00 p.m. Mr. GERSTEIN requested an earlier hearing, which was denied.

Judge BAKER further set a tentative trial date for BARKER for October 30, 1972.

Immediately thereafter, on September 15, 1972, BARKER was booked at the Dade County Jail on the above-described felony charge punishable by a maximum of five years imprisonment in the state of Florida.

BARKER was released on \$1,000 bail later on September 15, 1972.

CUBA
JUAN FERNANDEZ DE CASTRO, 30 N.W. 51st Avenue, MIAMI, FLA.
advised he is a Cuban exile and has been involved in Cuban revolutionary activities for the past 15 years.

FRANK FIORINI
FERNANDEZ said he has known FRANK ANTHONY STURGIS since January, 1959, when STURGIS was a Captain in the Cuban Revolutionary Air Force. STURGIS, in July, 1959, after serving in the Cuban Air Force, returned to Miami and has been involved in revolutionary activities since that time. STURGIS has made the "rounds" of all active Cuban groups in Miami since 1959 and continuously claims he represents a group of American patriots who want to fight communism in Cuba and Latin America.

Ha
Cuba
BORN Sept 24
1924

Most Cuban exile groups consider STURGIS an opportunist, mercenary, adventurer and government informant. Some Cubans think he is a part-time operative for CIA. Others consider him a "busy-body" and intermeddler.

FERNANDEZ said he considers STURGIS unreliable, dishonest and motivated by profit and personal gain rather than by any political ideology or personal morality.

JAMES GALE, Administrative Assistant, Arrangements Committee, Republican National Convention, was interviewed at Convention Headquarters, Hotel Fontainebleau. GALE advised that he was not acquainted with either EVERETT HOWARD HUNT or ALFRED C. BALDWIN, III, and could not identify their photographs. GALE stated that he knew GEORGE GORDON LIDDY as legal counsel for the Committee to Reelect the President (CTRP), and he recalled seeing LIDDY on several occasions at the Convention site at San Diego, California, in the early part of the year. He recalled one occasion when LIDDY was with a large group of members of the Arrangement Committee, and at that time LIDDY approached GALE and talked for some time, identifying himself as a former FBI Agent. GALE stated that he did not recall LIDDY as an FBI Agent and discussed Convention preparation business with him. GALE stated that he could develop the exact time periods of his San Diego visits from travel records available at his office in Washington, D. C., if it were necessary to determine when LIDDY may have been in San Diego. GALE stated that he assumed that LIDDY would have stayed at the River Inn at the Wharf where most of the people from the Convention Arrangement Party were staying. GALE stated that he would be available for contact at his office in Washington, D. C., after completion of the Republican National Convention at Miami Beach.

JACK B. LESLIE, front office manager, Dupont Plaza Hotel, 300 Biscayne Boulevard Way, advised that records of that hotel reflect that the only long distance telephone call made by hotel guest "GEORGE F. LEONARD" or "EDWARD J. WARREN" during the periods February 11-13, 1972 and March 4-6, 1972, was made by LEONARD from Dupont Plaza Hotel room #1114 on March 5, 1972 to area code 914, 471-9013. The call lasted twelve minutes and was handled by Operator 7115 at a charge of \$4.45 plus sixty cents tax.

LESLIE stated that telephone charges on the bill of EDWARD J. WARREN for the period March 4-6, 1972 specifically indicated being charged to WARREN's room, #1112, on March 6, 1972, in the amount of \$2.00, and were all local telephone calls, no record of which was maintained by the Dupont Plaza Hotel.

ANTONIO PEREZ DE SOTO, 65 year old Cuban resident alien, residence 425 S.W. 10th Avenue, Apartment 211, Miami, Florida, was interviewed at his place of employment, Norady Quality Foods, a food brokerage located at Room G, 775 N.E. 79th Street, Miami, Florida, where the telephone is 751-3579. PEREZ stated he has no knowledge of a telephone call placed to the business number of Norady Quality Foods during last June, 1972, from the Los Angeles, California, area, and particularly from persons named G. GORDON LIDDY or EVERETTE HOWARD HUNT. PEREZ was exhibited photographs of LIDDY and HUNT and stated he does not recognize either of them.

BERNARD BARKER
EUGENIO ROLANDO MARTINEZ
JAMES WALTER MC CORD
FRANK ANTHONY STURGIS, also known as

BERNARDO TORRENTE ESPINA, white male, age 32, naturalized United States citizen of Cuban origin, was interviewed at his residence 784 N.E. 80th Street, Miami, Florida. He identified himself as co-owner of the Norady Quality Foods, 775 N.E. 79th Street, Miami, with friend and long time associate MANUEL ARTIME. *B. APPROX. 1940*

TORRENTE and ARTIME formed Norady Quality Foods during December, 1969. The name Norady is a combination of parts of the Christian names of each of their wives and has no other significance.

TORRENTE described himself as a seriously wounded veteran of the ill-fated Bay of Pigs evasion of Cuba in the early 1960s in which venture he was associated with ARTIME.

Photographs of the following individuals were displayed to TORRENTE:

BERNARD BARKER
FRANK ANTHONY STURGIS
VIRGILIO GONZALEZ
JAMES WALTER MC CORD
ALFRED CARLETON BALDWIN
G. GORDON LIDDY
EVERETTE HOWARD HUNT

TORRENTE readily identified photographs of BARKER and MARTINEZ as friends of both his and ARTIME's and described them as being anti-Communist and anti-CASTRO, mainly Cubans who share the anti-Communist sentiments of TORRENTE and ARTIME.

TORRENTE stated he does not personally know FRANK ANTHONY STURGIS, VIRGILIO GONZALEZ or JAMES WALTER MC CORD and stated he did not recognize the photographs of BALDWIN or G. GORDON LIDDY.

Relative to EVERETTE HOWARD HUNT, TORRENTE stated he met him one time at the Miami home of TORRENTE, about one and a half years ago. At that time HUNT was en route to Nicaragua in connection with a canal venture of mutual interest to TORRENTE and ARTIME. TORRENTE stated he did not have previous

TORRENTE stated that he travels often in connection with the pursuit of the interest of Norady Quality Foods which he stated is primarily a fresh beef importer from Nicaragua to Miami and Puerto Rico.

TORRENTE stated he does not know and never heard of a California attorney from the Los Angeles area named MORTON BARROWS JACKSON. He stated he never received a telephone call from either LIDDY or HUNT from the Los Angeles area or from anywhere else, on any occasion. TORRENTE stated that if a telephone call was made by either HUNT or LIDDY to the telephone of Norady Quality Foods, which telephone number is Miami area code 305, 751-3579, the call was quite possibly made to MANUEL ARTIME.

MANUEL ARTIME BUESA, part owner, Norady Quality Foods, 775 N.E. 79th Street, Miami, Florida, a resident of 1270 N.E. 85th Street, Miami, contacted the Miami office of the Federal Bureau of Investigation and stated that agents had been to his home on September 13, 1972 attempting to locate him.

FLH

Regarding a telephone call made to area code 305, 751-3579, ARTIME stated that number is located at his place of business, Norady Quality Foods, 775 N.E. 79th Street, Miami. He stated he has no recollection of having received a telephone call from anywhere in the state of California at his office on June 22, 1972, or any other time. When informed that the person who called his place of business might have been EVERETT HOWARD HUNT, JR. or GEORGE GORDON LIDDY, ARTIME stated he is positive he did not receive this call as he would have had no trouble recalling it had he received it. He stated that if the call had been made to his business office, it would have been made most probably by HUNT, rather than LIDDY. ARTIME suggested that HUNT could very well have called ARTIME's office at a time when neither ARTIME or his partner, RENARDO TORRENTE, was present. In such case, the caller would have spoken with ANTONIO PEREZ DE SOTO, an employee of Norady Quality Foods. DE SOTO is an old man who speaks no English and he would merely have stated that ARTIME was not present. If this was the case, the time of the telephone call should have been very brief and DE SOTO would probably have no recollection of it.

ARTIME exhibited a cooperative manner.

RICHARD E. GERSTEIN, Florida State's Attorney, Dade County, Florida, was contacted at his office in the Dade County Justice Building, Miami, Florida.

Mr. GERSTEIN confirmed that his Chief Investigator, MARTIN F. DARDIS, obtained a sworn statement on August 23, 1972, from KENNETH DAHLBERG of Minneapolis, Minnesota, and Boca Raton, Florida. The statement was taken within the offices of the Florida State's Attorney at Miami, Florida.

Mr. GERSTEIN declined to furnish the Federal Bureau of Investigation with a copy of the sworn statement of KENNETH DAHLBERG, or any other statement obtained by his office; stating that he made such declination on the basis of a ruling in the Florida Supreme Court, which ruling prohibits a State's Attorney within the State of Florida from furnishing sworn statements to persons outside that office.

Mr. GERSTEIN stated that he would not resist a Federal subpoena which might eventually be served upon him for a copy of the statement of KENNETH DAHLBERG.

Thereafter, Mr. GERSTEIN authorized his Chief Investigator, Mr. DARDIS, who was present in the same room, to orally furnish to SA WILLIAM P. KELLY the contents of the sworn statement of KENNETH DAHLBERG. Mr. GERSTEIN further stated that he possesses no information regarding from what source or sources Washington, D.C., columnist JACK ANDERSON received information relative to the contents of the sworn statement of DAHLBERG, which was furnished to Mr. DARDIS.

MARTIN F. DARDIS, Chief Investigator of the Florida State's Attorney's Office for Dade County, Florida, was interviewed in the offices of his superior, RICHARD E. GERSTEIN, Florida State's Attorney. Mr. GERSTEIN was present for the initial and closing minutes of the interview, but was out of the room during the bulk of the time consumed by the interview.

MARTIN F. DARDIS furnished the following information:

On August 23, 1972, Mr. DARDIS took a sworn statement, within the confines of the Florida State's Attorney's ^{DC} Office for Dade County, from ~~KENNETH DAHLBERG~~, Minneapolis, Minnesota, and Boca Raton, Florida. The only other person present was a court reporter of the State's Attorney's Office.

DAHLBERG at first was reluctant to identify the source of the \$25,000 cash furnished to him as a contribution to the Republican Party's Committee to Re-Elect President RICHARD M. NIXON. Finally, however, DAHLBERG identified the source of the money as ~~DWAYNE ANDREAS~~ of the Minneapolis, Minnesota, area, and the Sea View Hotel, Bal Harbour, Florida. DAHLBERG stated that he received a telephone call at Minneapolis, Minnesota, on April 5, 1972. The call was originated by DWAYNE ANDREAS from the Miami area. ANDREAS and DAHLBERG discussed a prospective contribution by ANDREAS to the Republican Party. Both men had had previous discussions regarding a potential contribution by ANDREAS. At the time of the call, ANDREAS told DAHLBERG that ANDREAS then had \$25,000 cash available for a political contribution to the Republican Party. ANDREAS told DAHLBERG that ANDREAS had placed cash in a safe deposit box of the Sea View Hotel, Bal Harbour, Florida.

DAHLBERG related he traveled from Minneapolis to the Miami area returning on April 7, 1972 for the purpose of obtaining the \$25,000 contribution from ANDREAS. DAHLBERG did not relate, nor was he asked by DARDIS, by what airline he traveled to the Miami area.

DAHLBERG told DARDIS that upon DAHLBERG's arrival in the Miami area, April 7, 1972, the safe deposit box of ANDREAS was closed for the night.

DAHLBERG related he talked to ANDREAS in the Miami area on April 8, 1972 and arranged a golf match with ANDREAS for the following day, April 9, 1972. They arranged to meet at the Sea View Hotel. Accordingly, DAHLBERG and his wife went to the Sea View Hotel on April 9, 1972. DAHLBERG and his wife and ANDREAS all got into the car of ANDREAS in front of the Sea View Hotel. Shortly thereafter, ANDREAS entered the Sea View Hotel alone, and soon thereafter returned to the car carrying \$25,000 cash. ANDREAS told DAHLBERG, in the presence of Mrs. DAHLBERG, that he (ANDREAS) obtained this cash from his safe deposit box at the Sea View Hotel. This incident occurred during daytime hours of April 9, 1972.

Thereafter, the DAHLBERGS and ANDREAS drove together to the Indian Creek Country Club Golf Course in Dade County, Florida. At that location, ANDREAS gave the \$25,000 cash to DAHLBERG.

DAHLBERG took the cash with him on the night of April 9, 1972 to his home in Boca Raton, Florida, where he kept the cash overnight.

On April 10, 1972, DAHLBERG took the \$25,000 cash to the First Bank and Trust Company, Boca Raton, Florida. At that location, he purchased with the cash a \$25,000 cashier's check payable to KENNETH DAHLBERG.

On April 11, 1972, DAHLBERG flew to Washington, D.C., to attend a meeting of the Republican Finance Committee at which meeting representatives of the various states had financial representatives. The meeting was held at the Washington Hilton Hotel. At this meeting DAHLBERG endorsed the \$25,000 cashier's check and handed it to MAURICE STANS, Committee Chairman. DAHLBERG stated he knows nothing of what happened to the check after he gave it to Mr. STANS.

Relative to BERNARD BARKER, DAHLBERG stated he does not know and never met BARKER. DAHLBERG was not asked by DARDIS whether or not he knew any of the other persons who were arrested with BARKER at the Democratic National Headquarters in Washington, D.C., since DARDIS stated his office has no apparent investigative interest over any of the individuals involved in the break-in of Democratic National Headquarters, excepting BARKER.

DARDIS stated that on August 24, 1972 at Dade County, Florida, he interviewed and took a signed statement from MAURICE STANS. Present during that interview were JOHN O'BRIEN and KENNETH PARKINSON of the Republican Finance Committee and prominent Miami attorneys WILLIAM FREYTES and ROBERT FLOYD. Also present was a court reporter employed by Dade County, Florida. } *ELT.*

In his statement to DARDIS, MAURICE STANS confirmed what DAHLBERG had told DARDIS on August 23, 1972, about DAHLBERG giving personally to STANS a cashier's check payable to DAHLBERG, in the amount of \$25,000, at the Washington Hilton Hotel, Washington, D.C., on April 11, 1972.

DARDIS exhibited to MAURICE STANS a copy of the cashier's check payable to DAHLBERG. Thereupon STANS stated he recalled DAHLBERG had told STANS on April 11, 1972 that DAHLBERG had endorsed this check. However, STANS stated he does not recall actually having seen DAHLBERG's endorsement at the time he received the check from DAHLBERG.

MAURICE STANS also denied in his statement of August 24, 1972 knowing BERNARD BARKER. STANS was not asked

whether or not he knew or was connected with any of the other persons arrested with BARKER at Democratic National Headquarters.

MAURICE STANS thereafter stated that after receiving the check for \$25,000 from DAHLBERG on April 11, 1972, he gave the check on the same date, at the Washington Hilton Hotel, to HUGH SLOAN, JR., Treasurer of the Committee to Re-Elect President RICHARD M. NIXON. STANS stated he later received a "report" on the same day that SLOAN had given the check to G. GORDON LIDDY, the Legal Counsel of the Committee to Re-Elect the President.

DARDIS stated he asked STANS about any knowledge he might have concerning the four checks totaling \$89,000 which were negotiated in Mexico. STANS replied that he had never seen any of these checks and had no first-hand knowledge regarding them.

Mr. DARDIS finally advised he does not know who gave information to Washington, D.C., columnist JACK ANDERSON regarding the DAHLBERG interview by DARDIS.

MANUEL VILLAR, Auditor, Sea View Hotel, 9909 Collins Avenue, Dade County, Florida, was interviewed at his place of employment and furnished the following information:

315 SANTANDER AVE, CORAL GABLES, FLA.

VILLAR stated that safe deposit box number 305 was applied for on April 5, 1972 by either KENNETH DAHLBERG or DWAYNE ANDREAS. He further advised that ANDREAS asked for the custody card for box 305 on 8/24/72 and to date the card has not been returned to the file box. VILLAR advised that ANDREAS told him he was taking possession of the card upon the advise of his(ANDREAS') attorney.

VILLAR advised that he remembers seeing the custody card for box 305 and further stated that he recognized the writing on the card as belonging to ROUVILLE BEDARD, a former clerk at the hotel. He advised that BEDARD is not working at the hotel at present and that BEDARD can be reached in Canada at telephone number (514) 739-5785. He further stated that while employed by the Sea View, BEDARD listed a Social Security number 289-36-3588 and a local address of 1141 71st Street, Miami Beach, Florida.

He advised that to the best of his recollection, the name of KENNETH DAHLBERG did not appear on the custody card for the safe deposit box. He further stated that DAHLBERG was not a guest at the hotel when the box was being utilized.

VILLAR advised that DWAYNE ANDREAS' current address is Route 2, Excelsior, Minnesota, and that his business is First InterOceanic Corporation, Sheraton-Ritz Hotel, Minneapolis, Minnesota. He further stated that ANDREAS is the president of the 32-man group which owns the Sea View Hotel.

VILLAR advised that he remembers ANDREAS asking him for the sum of \$25,000 sometime in early March 1972. He advised that there was nothing unusual in this request because ANDREAS frequently asked for large sums of money for various reasons. He stated that he told ANDREAS that he did not have that much money in the cash drawer at the time and that he would have to get it from the bank.

VILLAR advised that he obtained the money for ANDREAS in the following manner:

On March 13, 1972 he obtained \$10,000 from the hotel's account at Little River Bank and Trust Company, Miami, Florida.

On March 16, 1972, he obtained the sum of \$6,800 from the same source.

He advised that on March 15, 1972 he paid out a total of \$20,000 to ANDREAS, making up the balance of \$3,200 from his cash drawer. He advised that ANDREAS provided \$5,000 in cash from his own funds to make up the total of \$25,000 he needed. VILLAR further stated that ANDREAS signed a receipt for the \$20,000, a copy of which was furnished to the interviewer. VILLAR also provided copies of bank receipts showing the \$10,000 and \$6,800 amounts. He further provided a copy of the ledger sheet from the hotel's cash register which showed a disbursement of \$20,000 on March 15, 1972. He advised that these were the only records he could locate relating to a \$25,000 transaction involving ANDREAS during March and April 1972.

During contact with Attorney MIGUEL SUAREZ at his offices at 955 S. W. 1st Street, Miami, Florida, on July 27, 1972, an artist's-conception drawing of the individual who reportedly accompanied BERNARD BARKER to Rich's Photo Shop in Miami on June 10, 1972, to pick up the developed photographs previously left at this shop by BARKER, was exhibited to SUAREZ by SA PRUE C. CLINKSCALES. SUAREZ was asked if he could identify this drawing with any known associate of BERNARD BARKER, in Miami or elsewhere, who might be described as Cuban or Latin, about 33-35 years of age, 5' - 10" - 11", wiry build, with light brown or sandy, curly hair.

After viewing this drawing at some length, SUAREZ advised that this artist's drawing strongly resembled a photograph of ANDRES AMOEDO, a salesman employed by BERNARD BARKER at Barker's Real Estate Office in Miami. SUAREZ advised that AMOEDO had been to SUAREZ' office only once, as best SUAREZ could recall, that being sometime shortly after the arrest of BARKER and others in Washington, D. C., on June 17, 1972. With AMOEDO was Mr. CASTRO, one of the owners of the Les Violins Restaurant in Miami, who is the primary investor in the planned construction of an apartment building in Hialeah in which BERNARD BARKER had a substantial interest, and for which SUAREZ had done some legal work for BARKER. It was at SUAREZ' request that certain information regarding rental prices for apartments in the pertinent area of Hialeah and photographs of apartment buildings in the area surrounding that on which the apartment building was to be constructed in Hialeah be obtained, that some color, Polaroid shots were taken of other buildings in that area. SUAREZ said he had the definite understanding that AMOEDO had taken those color shots. SUAREZ said he had no further information as to AMOEDO's knowledge of or ability in the field of photography. FLL

SUAREZ advised that the face depicted in the artist's drawing strongly resembles AMOEDO, but that the receding hairline and high forehead in the drawing are too much exaggerated. He advised AMOEDO has very light hair, almost yellow; that AMOEDO does have a noticeable Latin accent but not to the extreme; and that AMOEDO is not very thin and wiry but is of average build and somewhat muscular. SUAREZ did not know where AMOEDO now lives, and since he has known AMOEDO for less than six months, he knew nothing of AMOEDO's personal life or background.

MICHAEL RICHARDSON, 2062 N.E. 168th Street, North Miami Beach, Florida, advised that he is employed by his father at Rich Photos, 1600 West Flagler Street, Miami, Florida.

MICHAEL RICHARDSON advised that recently he was contacted by MARTIN DARDIS, Investigator for Florida State Attorney RICHARD GERSTEIN, and also was contacted by RICHARD GERSTEIN. He was also issued subpoenas to give statements to Mr. DARDIS and GERSTEIN concerning his knowledge of the photographs that he developed on June 10, 1972, that bore the name LARRY O'BRIEN and Democratic National Convention thereon. He advised that he gave statements to Mr. DARDIS and GERSTEIN the same as he had given to FBI Agents in the past. He advised that Mr. DARDIS and Mr. GERSTEIN told him that their investigation was purely to investigate Florida State laws and that their investigation and contacts with him would be of a definite confidential nature. He advised, however, that upon being subpoenaed to appear at the State Attorney's Office to give a statement in a confidential manner, he was met by news media photographers of both the newspapers and television. He advised that Mr. GERSTEIN had forewarned and announced a conference with Mr. RICHARDSON and he was interviewed by the press as well as by Mr. DARDIS and Mr. GERSTEIN. He advised thereafter he was told to take a polygraph examination conducted by Mr. WARREN HOLMES. He advised that he was ushered out of his photography shop by Mr. DARDIS and taken to Mr. HOLMES' office wherein he was greeted by news media personnel including photographers and reporters. He advised that on taking the polygraph examination, Mr. HOLMES reported that the examination showed that Mr. RICHARDSON was telling nothing but the truth. He advised that during the past week his photography shop, Rich Photos, was active with newspaper reporters and other news media people. He stated he also received a telephone call from a "New York Times" reporter, BILL REAS (phonetic). He stated he received this telephone call prior to the time that he initially went to Mr. GERSTEIN's office under subpoena to give a statement. Mr. RICHARDSON advised that he knew then that Mr. GERSTEIN and Mr. DARDIS' statement that this investigation would be confidential was false. He related this to show that the

MICHAEL RICHARDSON, 2062 N.E. 168th Street, North Miami Beach, Florida, advised that he is employed by his father at Rich Photos, 1600 West Flagler Street, Miami, Florida.

MICHAEL RICHARDSON viewed a group of photographs in an effort to determine the identity of the individual who requested documentary photographs bearing the name Democratic National Convention and LARRY O'BRIEN thereon to be developed. This individual appeared at Rich Photos with BERNARD BARKER and FRANK FIORINI on June 10, 1972. After viewing the photographs, he advised that none of these photographs are identical to this individual. The photographs include photos of DONALD HENRY SEGRETTI and E. HOWARD HUNT, photo #23500.

"New York Times" reporter in an area being approximately 1300 miles away knew of his pending interview with Mr. GERSTEIN. Mr. RICHARDSON stated that he wanted the FBI to know that he in no way initiated any of the publicity rendered of him and Rich Photo shop. He stated that he wanted the FBI to know that all of this publicity was initiated by Mr. GERSTEIN and Mr. DARDIS. He stated that in his opinion, Mr. GERSTEIN's investigation is a pure political maneuver and has nothing to do with an actual criminal investigation against the laws of the State of Florida. He stated that Mr. DARDIS and Mr. GERSTEIN interviewed Rich Photo employee JENARO PEREZ. He stated that JENARO PEREZ has worked for him for a considerable amount of time and he knows Mr. PEREZ to be a completely honest individual. He advised that when BERNARD BARKER and FRANK FIORINI came to Rich Photos on June 10, 1972, to request documentary development, it is his opinion that they first had a brief conversation with JENARO PEREZ and that after a brief conversation, he, MICHAEL RICHARDSON, handled these individuals request and actually did the developing himself because of the detailed work and the request for immediate development of the negatives. He stated that usually another employee of Rich Photos does black and white development but that employee was overloaded with work and BARKER and FIORINI requested that these negatives be developed and printed immediately. Mr. RICHARDSON advised that he mentioned in passing to Mr. DARDIS that JENARO PEREZ had a brief conversation with BARKER and FIORINI. He stated, however, that PEREZ did not recall BARKER or FIORINI being in Rich Photos. Thereafter, State Attorney RICHARD GERSTEIN announced to newspaper reporters that he considered PEREZ to be lying regarding this matter. He stated that this statement and the deception of RICHARD GERSTEIN concerning the confidential nature of his inquiry plus the adverse publicity has hurt himself and also JENARO PEREZ.

MICHAEL RICHARDSON advised that he has contacted all his shop salesmen and displayed the photographs of BARKER and FIORINI and their associates to them and none of his other employees recall them being in their shop. He stated this was mainly because at the time of this incident the shop was extremely busy and numerous customers were in the store.

MICHAEL RICHARDSON advised that shortly after June 10, 1972, he installed an 8 millimeter anti-armed robbery camera in the front of his shop that takes a photo every fifteen seconds. He stated, however, that the exact date of installation is unrecalled to him. He stated therefore that he has reviewed the films on this camera to determine if BARKER and FIORINI's photos are contained thereon. He advised that the results were negative. He advised that the third individual who appeared at the shop would not be in these photograph even if they were taken on June 10, 1972. He stated this individual did not appear with BARKER and FIORINI during the initial request for the development of the photographs. He stated that he appeared later on and examined the photographs after development.

He stated he met FIORINI when PEDRO LUIS SIAZ LANZ, a General in the Cuban Air Force, defected from CASTRO Cuba to the United States. that on June 10, 1972, he had a brief conversation with BARKER and FIORINI concerning development of documentary photographs. He stated his honest opinion is that he cannot recall this conversation. Mr. PEREZ advised that he was recently subpoenaed to appear at State Attorney RICHARD GERSTEIN's office to give testimony concerning this incident. He advised that he was interviewed by Mr. MARTIN DARDIS, Investigator for Mr. GERSTEIN. He advised that the subsequent press release by Mr. GERSTEIN and Mr. DARDIS indicated that he, PEREZ, lied to them in saying that he did not recall BARKER or FIORINI being in Rich Photos. He stated that he did not lie to them, that he simply cannot recall them being in the shop. He stated he has no reason to lie in this matter. He stated that the press release by Mr. GERSTEIN and Mr. DARDIS has hurt him personally in this community and it would have certainly been to his advantage to admit seeing them. Mr. PEREZ advised that the Miami Cuban community in general conversations feels that the actions of BARKER and FIORINI in breaking into the Democratic National Headquarters had something to do with anti-CASTRO activities. He advised that the Miami Cuban community believes that Presidential candidate GEORGE McGOVERN has a pact with CASTRO. They believe that this pact would interfere with their ambitions to free Cuba and return to Cuba and depose FIDEL CASTRO. They believe that these feelings are the basis for the FIORINI and BARKER activities against the National Democratic Party.

H. CARL MC QUIGG, 540 South Hibiscus Court, Plantation, Florida, advised that he has been retired for three years following thirty years service as a pilot with United Airlines. He is presently employed as a pilot for Yellow Baron, Incorporated, 2400 East Oakland Park Boulevard, Ft. Lauderdale, Florida, which corporation is owned by ED STONE and Associates, same address, and DON OUTER, owner of WRBD radio station, Ft. Lauderdale. Ed Stone and Associates, Architects, designed the Kennedy Memorial Fine Arts Center at Washington, D. C. The corporation actually has ownership of one 401 Cessna airplane and was formed for the express purpose of providing air transportation for the owners and clients.

MC QUIGG produced his pilot's log book which reflected travel on April 17, 1972 from Ft. Lauderdale into Hilton Head, North Carolina. The passengers on board were ED STONE, JR. and his associates DAVE ARMBURSTER and ROBERT HALL, both architectural engineers. On the afternoon of April 17, 1972 this same group traveled to Ashville. ARMBURSTER and HALL then returned from Ashville by other means of travel. On April 18, 1972 MC QUIGG piloted the Cessna to Washington, D. With reference to attached article from "Evening Star" 12/12/72, indicating that a fake passport produced by the Central Intelligence Agency (CIA) for former White House consultant E. Howard Hunt, Jr., was found on Watergate subject Frank Sturgis at the time of his arrest, no such passport was found on Sturgis when he was arrested 6/17/72, during the Watergate burglary.

Watergate File

Sturgis, at the time of his arrest, did have in his possession a Mexican visa made out in the name of Edward J. Hamilton. Our investigation established this visa had been obtained 1/7/72, at Beverly Hills, California, based on a birth certificate in the name of Edward J. Hamilton. Our investigation further established that Hunt and Liddy on 1/7/72, the date instant Mexican visa was obtained, were in fact registered at the Beverly Wilshire Hotel, Beverly Hills, California. FBI Laboratory, because of lack of handwriting on the visa, was unable to positively identify it as being identical with handwriting of E. Howard Hunt.

B

31

Washington Field Office has determined from Assistant U. S. Attorney Silbert that during grand jury proceedings in this matter no mention was ever made of Sturgis being in possession of a fake passport.

New Watergate Dimension?

By THOMAS B. ROSS
Chicago Sun-Times Service

A fake passport, produced by the Central Intelligence Agency for former White House consultant E. Howard Hunt Jr., was being carried by one of the suspects at the time of the Watergate break-in, investigators have disclosed.

The passport, made out in the name of "Edward Hamilton" — the same initials as Hunt's — reportedly was found on Frank Sturgis when he was arrested at Democratic National Committee headquarters in June.

The disclosure of the passport yesterday added a dimension to the case: The possibility that current CIA employees were involved in political espionage. The CIA has repeatedly assured Congress that its fake documents are kept under tight control.

Hunt and several of the others under indictment have acknowledged they once worked for the CIA, but have asserted they were no longer in its employ at the time of the Watergate incident.

Hunt's wife was killed in the United Air Lines crash in Chicago on Friday. Her purse was found to contain more than \$10,000 in cash. Police reported that one of the bills bore the written inscription: "Good Luck. FS" — the same initials as Sturgis'.

Sturgis has never been identified as a direct employe of the CIA, but was known to have had extensive agency

contacts in Miami. An ex-Marine, he fought with Fidel Castro in Cuba and was rewarded with the gambling casino concession in Havana after Castro won.

But the two men had an early falling out, and Sturgis went over to the Cuban exile community in Miami. He was once arrested on a boat off British Honduras in what he described as an attempted "commando raid" on Cuba.

A soldier of fortune, he is believed to have used several pseudonyms besides that of Edward Hamilton. He was born Frank Fiorini in Norfolk, Va., but adopted the name of his stepfather.

Hunt was hired as a White House consultant by Charles W. Colson, special counsel to President Nixon. He openly declares in his Who's Who listing that he has operated under a number of pseudonyms — Robert Dietrich, John Baxter and Gordon Davis.

The federal indictment charges that Hunt was present on the night of the Watergate break-in, but left before the police arrived and apprehended the five persons inside the Democratic headquarters. He was linked to the case through a \$25,000 cash fund, a campaign contribution to the Committee for the Re-election of the President.

Investigators said the fake passport and the possible CIA role in the break-in would probably be explored at the trial scheduled to begin next month.

The CIA is prohibited by law from conducting any operations within the United States and, of course, is proscribed

from taking part in domestic politics. It is known, however, to have been involved with the Cuban community and with other anti-Communist exile groups in U.S. cities.

The investigators said they did not have a plausible theory as to why Mrs. Hunt was carrying so much cash.

Washington Field Office called to advise that Chief Judge John J. Sirica today in open court praised the work of the Federal grand jury which heard the Watergate evidence and announced that he was aware that certain reporters associated with a local newspaper had contacted members of the grand jury in an attempt to determine the nature of evidence presented. Judge Sirica pointed out that the actions of these newspaper reporters bordered on Contempt of Court; however, he did not propose to take action against them.

Assistant U. S. Attorney Silbert advised Washington Field Office that the reporters in question were Carl Bernstein and Bob Woodward of "The Washington Post." According to Mr. Silbert, several members of the grand jury had reported to Judge Sirica that they were contacted by Bernstein and Woodward in an attempt to learn what information was presented to the grand jury.

GENERAL INVESTIGATIVE DIVISION

Attached reports results of interview of Thomas James Gregory, a 25 year old student at Brigham Young University, Provo, Utah.

Gregory was hired by E. Howard Hunt in 2/72 to work at Muskie's headquarters, Washington, D. C., and to report information obtained to Hunt. Gregory worked there until 4/14/72 when he went to McGovern's headquarters, 4th and D Streets, Washington, D. C. He was paid \$185 per week by Hunt.

Gregory attended a meeting about 5/27/72 at unnamed hotel in vicinity of 15th and K Streets, N. W. (the Hamilton Hotel, 14th and K Streets, N. W., is where Barker and five others were registered 5/22-26/72) at which Hunt, McCord and four others (names unknown) one being a locksmith (probably Gonzalez) were present. At meeting the subject of bugging McGovern's headquarters was discussed and that McCord had tried unsuccessfully to accomplish same during day time hours. On about 5/28/72 Gregory stayed late at McGovern's headquarters and that night informed two or three men, who attended the above-mentioned meeting, that someone was still in the building and, as a result, no attempt was made to bug the headquarters. The following day there was an armed guard at building and this headquarters was never bugged to Gregory's knowledge.

Gregory stated he has no information concerning any bugging at Watergate.

SUBJECT: JAMES WALTER MCCORD, JR., ET AL.
BURGLARY OF DEMOCRATIC PARTY
NATIONAL HEADQUARTERS
JUNE 17, 1972
INTERCEPTION OF COMMUNICATIONS

Charles Bolz telephonically advised that he had been contacted today by Sandy Smith, a writer employed by Time Magazine, ostensibly to determine why he left his position as Section Chief of the Accounting and Fraud Section. According to Bolz, it was soon apparent that Smith was really not interested in the reasons for Bolz' leaving the FBI.

Smith said he wanted to talk about Watergate and was advised by Bolz that he, Bolz, felt he was bound by Judge Sirica's order and that he could not discuss this case.

Smith stated that on the weekend that the Watergate incident occurred L. Patrick Gray was on the West Coast, as was former Attorney General Mitchell, and that in a prior conversation with Mr. Gray he accused Mr. Gray of meeting with Mitchell, which Mr. Gray denied. Smith stated that he had developed information that had convinced him to his own satisfaction that Mr. Gray did talk to Mitchell and they agreed not to meet. Bolz told Smith he knew absolutely nothing about any such meeting or contact and was in no position to comment.

Smith also alleged that early in the investigation he met Mr. Gray and asked why the FBI did not secure the telephone toll call records of Charles Colson of the White House, but that Mr. Gray was evasive in his answer stating there was no need for a check of Colson's toll calls. Bolz said that he told Smith that there had been no restriction placed on getting any toll call records of any person and the FBI obtained everything that we thought was pertinent and, in fact, there had been no restriction placed whatsoever on our investigation, which he, Bolz, felt was most thorough and complete.

Smith said he was writing an article for Time. The gist was what has L. Patrick Gray done for the FBI, not what policies or procedures of J. Edgar Hoover has he corrected. He inferred it would be a critical article.

This concerns the investigation conducted by our Miami Office regarding leads developed from the entries in the Marquette Page-A-Day calendar notebook found during the search of the automobile of subject Eugenio R. Martinez on June 21, 1972, at Miami, Florida. The entries in the notebook are few and the five individuals' names and the three telephone numbers have not come to light previously during this investigation.

The notation "Jack Stubbs (Fontainebleau)" apparently relates to John Matthew Stubbs, who is employed as a Cabana Manager at the Fontainebleau Hotel in Miami. *[Redacted]*

[Redacted] and has no criminal record. Upon interview on December 26, 1972, he advised he is not acquainted with Martinez and was unable to identify photographs of any of the defendants in this case. He could supply no reason for the inclusion of his name in the notebook. *[Handwritten B]*

The notation "Galman 532-6044.- (House Boat) Collins Ave. in Front Fontainebleau." possibly is a Mr. Golman who, according to Stubbs, is currently residing on a houseboat located in the 4300 block of Indian Creek Drive, Miami Beach. Golman is reportedly a retired Philadelphia, Pennsylvania, insurance executive and efforts to locate and interview him on December 26, 1972, have been unsuccessful. Efforts to accomplish this are continuing. *[Handwritten 139-4089-1 JAN 3 1973]*

Investigation concerning the entries "Jorge ~~642-4942~~" and "Jorge Puig Hernandez (Buscado)" (which means "wanted") revealed the following. Jorge Severino Puig Tavares at 440 N.W. 23rd. Court, Apartment 3, has telephone number 642-4942. When interviewed on December 26, 1972, he denied any knowledge of subjects by their names or photographs and cannot account for the entry in the notebook. He also stated he was not familiar with Jorge Puig Hernandez. *[Handwritten MIAMI FLA]*

W. Frankenfield to Mr. Gebhardt Memorandum
Re: James Walter McCord, Jr.

The notation "Rogelio Osvaldo Artiles 3 years 2035 N.W 6 St. donde vive actualmente?" (which means "where does he really live?") disclosed that the address is for the mother of Rogelio Artiles Rojas, whom Miami is attempting to locate for interview.

Concerning the notation ^{FLH} "~~Alfonso Valdez~~ 947 West 29 St. Hialeah", inquires at that address failed to locate anyone who is acquainted with Valdez.

Our Miami Office is continuing attempts to identify, locate and interview these individuals and to conduct additional investigation regarding the notebook entries.

ACTION: None, for information.

The following investigation was conducted at Sparrows Point, Maryland by SA DANIEL F. RYAN on December 14, 1972:

Investigation determined that phone 477-7710 is located at the Fenwick Wharf Office Building, at the Bethlehem Steel Company, Sparrows Point. This office handles all incoming and outgoing shipments made by water by the steel company. The phone is used by approximately sixty individuals at the Wharf Building. The phone is accessible to anyone entering the building.

The following investigation was conducted at Galesville, Maryland by SA GAIL T. COBB:

By communication dated December 1, 1972, the Alexandria Office advised that in the property of E. HOWARD HUNT was a business card with the name of BARBARA CHADWICK, who was formerly employed by the Republican National Committee. She had listed the person to call in case of an emergency as Mrs. EUGENE MC DONALD, Church Lane, Galesville, Maryland.

On December 4, 1972, it was determined that Mrs. EUGENE MC DONALD moved from the Church Lane address approximately two years ago and presently resides at 927 Seagate Drive, Delray Beach, Florida.

Synopsis:

Investigation concerning long distance telephone calls of EVERETTE HOWARD HUNT is set forth. Original American Airlines ticket coupons obtained pursuant to service of subpoena.

DETAILS:I. TOLL CALLS - EVERETTE HOWARD HUNT

By communication dated December 13, 1972 the Washington Field Office of the Federal Bureau of Investigation (FBI) advised that the ROBERT R. A review of Cole's Telephone Directory revealed that the subscriber to telephone 212-865-7826 was EDWARD B. MC MENAMIN, 464 Riverside Drive, New York, New York.

A review of the 1971-72 Columbia University Directory revealed that MC MENAMIN was listed as Secretary of Columbia University, Office of Executive Vice President for Academic Affairs and Provost, and was residing at 464 Riverside Drive, New York, New York, telephone number 865-7826.

On December 13, 1972 inquiry at Columbia University revealed that MC MENAMIN left the employ of Columbia University at the end of the Spring term of 1972, namely, at the end of June, 1972. He was presently residing at 135 East 94th Street, New York, New York, telephone 212-427-9126.

FEDERAL BUREAU OF INVESTIGATION

Date of transcription 12/19/78

EDWARD B. MC MENAMIN, 135 East 94th Street, New York, New York, was interviewed and he furnished the following information:

In January, 1972 he was the subscriber to telephone number 212-865-7826 while he was residing at his former residence, 464 Riverside Drive, New York, New York. At that time he was employed at Columbia University, New York City and held the position of Secretary of Columbia University. At the expiration of the Spring term of 1972 he retired from Columbia University. In August, 1972 he moved to his present address.

After being advised that this interview was being conducted as part of the investigation concerning burglary of the Democratic Party National Headquarters on June 17, 1972, MC MENAMIN advised that he briefly knew EVERETTE HOWARD HUNT in 1948 when both he and HUNT were working in Paris, France, administering the Marshal Plan. He stated that he has had no contact with HUNT since 1948, and specifically, received no telephone calls from HUNT in 1972.

He advised that he and his wife were constantly absent from their residence at 464 Riverside Drive during the day time hours in January, 1972, and therefore, telephone calls would have been received by a household maid in their employ during that period. He advised that this maid did not give a message to him or his wife that HUNT had telephoned and therefore, he presumes that the caller neither identified himself nor left a message.

MC MENAMIN volunteered that he had been acquainted in the past with an individual named ROBERT MULLEN from the Washington D.C. area whom he knew as a government worker and public relations man. However, he has had no contact with MULLEN in the recent past and has no reason to believe that he would be the unidentified caller attempting to contact him on January 31, 1972.

UNSUCCESSFUL

Attached advises of efforts to reinterview Felipe De Diego on the part of our Miami Office on 1/5/73. De Diego is the employee of Bernard L. Barker's real estate firm in Miami who through previous investigation was determined to have traveled with Barker, and other Miami area defendants to Washington, D. C., on 5/3-4/72, and 5/22-30/72. We previously interviewed De Diego on 6/29/72, when he disclaimed any knowledge of the Watergate matter and claimed he accompanied Barker to Washington, D. C., along with various other people (whom we also have interviewed) but no activities were engaged in other than sightseeing and normal living activities. De Diego, who disclaimed any knowledge of what Barker had in mind, said that it appeared Barker was waiting for something to happen, but nothing did.

On 7/20/72, De Diego was again contacted in an effort to press him for any further information he may have, at which time he declined to be interviewed further upon the advice of Attorney Henry B. Rothblatt who represents Barker.

Seymour Hirsch of the New York Times (NYT) is allegedly in possession of information regarding the Interception of Communications activities on the part of the Watergate subjects which information he wishes to make available to the FBI.

The attached reports unsuccessful attempts by our Washington Field Office to locate Hirsch through the Washington Bureau of the NYT.

Assistant U. S. Attorney Earl Silbert advised that Hirsch had contacted him with a story to the effect that Filipe De Diego told Hirsch that the Watergate subjects had bugged the offices of Senators Edward M. Kennedy, Mike Mansfield, and J. W. Fulbright. We have no information or factual basis in support of such a contention. De Diego on 1/5/73, refused to be interviewed by our Miami Office.

ALLEGED BUGGING OF THE OFFICES OF SENATORS KENNEDY, FULBRIGHT AND MANSFIELD. HIRSCH REPORTEDLY HAS DEVELOPED THIS STORY FROM CONTACTS AND INTERVIEWS OF CUBANS IN THE MIAMI FLORIDA AREA. HE REFUSED TO DIVULGE THE IDENTITY OF HIS SOURCE. HE FURTHER CONTENTED THAT FELIPE D E D I E G O, ACCORDING TO HIS SOURCES, IS THE GOVERNMENT'S STAR WITNESS. AS THE BUREAU IS AWARE, D E D I E G O DID CONFER WITH BUREAU AGENTS IN THE VERY BEGINNING OF THIS INVESTIGATION, BUT WHEN CALLED BEFORE THE FEDERAL GRAND JURY, AFTER BEING GRANTED IMMUNITY, HE FAILED TO RESPOND PROPERLY TO QUESTIONS, AND WAS PERMITTED TO RETURN TO MIAMI, ^{Florida} FLA AND NO CHARGES OF CONSPIRACY HAVE BEEN BROUGHT AGAINST HIM SINCE THE GOVERNMENT LACKED SUFFICIENT EVIDENCE.

AUSA SILBERT ADVISED HIRSCH CONFIDENTIALLY, THAT THE GRAND JURY INVESTIGATION AND THE FBI'S INVESTIGATION DID NOT DEVELOP ANY ADDITIONAL IOC VIOLATIONS, OTHER THAN WHAT WAS IN THE INDICTMENT.

WFO WILL CONTINUE EFFORTS TO CONTACT HIRSCH.

This afternoon, Henry Petersen, Assistant Attorney General, Criminal Division, telephonically advised he had been contacted by A. William Olson, Assistant Attorney General, Internal Security Division, both the Department of Justice, who advised that the Vietnam Veterans had filed a motion in Florida for the production of a 100-page statement which Alfred Baldwin had allegedly given to the FBI. Baldwin allegedly claimed that he had been given the assignment of infiltrating the Vietnam Veterans Organization. Mr. Petersen asked (1) whether there was a 100-page statement prepared and (2) whether the information set forth in FBI report of 7/19/72 contained all of the information furnished by Baldwin. *B*

After checking, Petersen's office was recontacted and instructions were issued to furnish the information to William Baker. Baker was advised that all the information furnished by Baldwin is reduced to 25 typed pages on two 302 forms. The first was 23 pages; the second was 2 pages. There was no signed statement furnished by Baldwin and all of the information was reduced to these two 302's. Baker was advised that the Agent interviewing Baldwin made rough notes covering 9 or 10 pages and the information was reduced to the 302's mentioned above. He was advised we had no information concerning a 100-page statement. It was pointed out to Mr. Baker that Baldwin had also talked to the United States Attorney's Office and it was widely reported in the press that he had furnished information to the Los Angeles Times. *1790*

Summary

This case concerns burglary of Democratic National Committee Headquarters, Washington, D.C., 6/17/72.

Attached advises after opening statements, E. Howard Hunt, Jr., through attorney, offered to plead guilty to conspiracy, burglary, and one count of wire tapping. Offer made out of presence of jury and acceptable to U.S. Government. Chief Judge John J. Sirica taking plea under advisement and returning his decision 9:30 a.m., 1/11/73; trial was recessed until that time.

Attached also sets forth results of interview of Seymour Hersh, writer for New York Times newspaper, who indicated he desired to be contacted by FBI Agents alleging to be in possession of pertinent information. Upon interview, it was determined he had nothing of value; he admitted he was shopping for information for his article which he indicated he had been unsuccessful in accomplishing. Hersh did imply that he had received information from one of the defendants which information allegedly involved former Attorney General Mitchell in this case and other activities. He indicated he had been unable to prove or disprove the allegations. He stated that in view of E. Howard Hunt's plea, the New York Times would publish an article which he had written concerning this case in the next few days.

This matter being followed closely.

This is to advise that Washington Field Office has just informed that Judge Sirica in court this morning refused to accept a plea by Hunt of guilty on three counts of the indictment in this case. Thereafter, Hunt pleaded guilty to all six counts on which he is charged. These counts include one count of Conspiracy, two counts of Burglary, and three counts of Interception of Communications.

Judge Sirica accepted this plea and held Hunt in lieu of \$100,000 surety bond for later sentencing, date not set as yet. When Hunt's Attorney, William O. Bittman, attempted to obtain a lower bond, Judge Sirica refused to hear arguments, but informed Bittman that if he desired, he could appeal to the Court of Appeals for the District of Columbia. Bittman is endeavoring to make an appeal for lower bond as soon as possible.

Judge Sirica also indicated that he will not put Hunt on the stand during the current trial.
